MEMORANDUM FOR: Acting Chief, DPD

SUBJECT: Nominee as Commander, [REDACTED]  
Detachment

25X1A

1. In view of the reluctance of [REDACTED] to take the [REDACTED] Detachment and realizing that because of a shortage of time we should get someone who is immediately available, I have taken the liberty to look into the qualifications of [REDACTED] who is presently Director of Materiel, Detachment B.

2. A resume of [REDACTED] experience follows:

3. As can be seen from the resume his experience should make him an ideal potential candidate for the Detachment Commander's position. In our planning we had already tentatively slated [redacted] to be Director of Materiel of the [redacted] Detachment. On the basis of his experience, at least on the surface, he should be better qualified for the Commander's position than [redacted]

4. It is, therefore, recommended that:

a. Colonel Shelton be solicited for his opinion of [redacted] being assigned as Commander of the [redacted] Detachment. (A suggested cable to Colonel Shelton is attached).

b. If Colonel Shelton's response is favorable that the cable be sent to [redacted] advising him of our intentions and soliciting his desires.

c. If you concur request you release the attached cable to Colonel Shelton.
